FROM THE EAST

Greeting from the East. Summer is upon us and it appears at least, that this one may be a bit milder than those in recent years. It is time for family...picnics, vacations and pleasant outings which are the basis of our warm memories for years to come. I invite you to enjoy the season and celebrate life in full bloom and the many activities the inland empire offers. Almost every night that the Redlands Bowl is open, some of the officers and I can be found with our families. Please don't hesitate to call our numbers on the trestle board or find us on the lawn and enjoy some fellowship. There is nothing so awe inspiring as listening to a symphony while desert thunder rumbles in the distance. This yearly tradition provides for family, community, entertainment and classical education for our children. I believe this is the Redlands Bowls' 84th season and I hope they continue to receive the community's unwavering support. The inscription above the Proscenium Stage says, "Without vision a people perish" an eternal statement. Down below is the corner stone laid by our Masonic brothers when it was created. Speaking of fellowship, we are traveling to meet with our brothers from Flagstaff Arizona to perform an outdoor degree once again. This is a special event which all the brothers love to attend. This will be the last weekend of August and will be August 28-30th. Not only do our brothers provide us with great hospitality, they conduct an outdoor degree which is very impressive. Last time, we were tiled by Shriners on horseback. We need to know if you are planning on attending and if you would like to take a position in the third degree as a participant. Please contact Wor. Sean Brannon if you would prefer a certain position. We are currently coordinating with several other lodges to have a

large “All Masons” picnic probably in October when the weather cools. We’ll have an update for you soon as the plans get made. Have a safe and pleasant summer and we hope to see you at one of our events soon.

Sincerely, Wor. Sean Brannon

-Jobies reports that their Fireworks stand was a great success. Thanks to all the people out there who helped them to meet their fund raising goals.

-We still need help at the child ID booth which is deploying again this month. Please contact Bro. Russ Davis for more information.

From the Secretary

August all though hot and usually kind of slow, we have a million people waiting to go through their degrees. Please make some time during vacation to reconnect with lodge. Our officers are working hard and getting ready to go into the next phase which is moving up the line. There is a lot of things done at the lodge which could be made easier by many hands. I would like to mention that a good friend and brother who I had know before I really got into the Masonic Lodge passed on, Brother Ken Cornelius, was a tried and true member. He never really wanted anything like being Master, but he was always there for the lodge. In what ever capacity. I know that a lot of people really feel the loss of his prescence as he was so easy going and ready to take on what ever needed to be done. Ken I bid you fond fairwell, and know that you are resting easy now in that Lodge not made with hands eternal in the heavens.

Faternally:

Wor. Robert Jacka, P.M., Secretary

Thought's on Masonry

Masonry..... follows the ancient manner of teaching. Her symbols are the instructions she gives; and the lectures are but often partial and insufficient one-sided endeavors to interpret those symbols. He who would become an accomplished Mason must not be content merely to hear or even understand the lectures, but must, aided by them, and they having as it were marked out the way for him, *study, interpret and develop the symbols for himself.*

Brother Albert Pike

The most profound secrets of Masonry are not revealed in the lodge at all. They belong only to the few..... But these secrets must be sought by the individual himself, and the candidate is barred from possessing them solely by his own inattention to the hints everywhere given in the ritual of the Lodge, or by his own indifference to the subject..... He has no one else to blame if he is in darkness.

Brother J. D. Buck
